Assistant Commissioner for Patents
Arlington, Virginia 22313

Sir:

Pursuant to the duty to disclose under 37 CFR 1.56, information is submitted herewith for consideration by the Examiner.

This submission is only for the purpose of providing a complete record and is not intended to be construed as an admission that the information antedates the claimed invention, or as an admission that the information is material to patentability or relevant or analogous to the field of the invention.

The right to establish an invention date earlier than the filing date of the claimed invention and the right to establish that the information is not material to patentability or relevant or analogous to the field of the invention are hereby reserved.

This submission shall not be construed to mean that a search has been

made or that there exists no other information as defined under 37 CFR 1.56.

It is requested that the Examiner give consideration to the information identified on the attached Forms PTO-1449 and make it of record in this application before preparing an Official Action on the merits.

Kindly complete and return a copy of the attached Forms PTO-1449 to the attorney of record.

This Statement is being filed with before the mailing of a final office action or a notice of allowance. The fee due is enclosed.

Respectfully submitted,
